### **Jacques J. Ohayon | President**

Jacques has been a member of Phi Beta Kappa since 1975. He has been an investment professional for 19 years. He joined Wells Fargo Advisors in 2011 to take a team approach to providing personalized financial advice for individuals and families.

In 2012 he earned his Series 66 registration by completing an approved educational program and passing a rigorous examination.

His passion for learning doesn't end there. He has achieved two graduate degrees after graduating with a B.A. in Psychology from The State University of New York at Stony Brook, with Phi Beta Kappa honors. His graduate degrees are a Masters Degree in Psychology and a PhD in Public Health/Epidemiology, from the University of Pittsburgh. He enjoys spending his free time volunteering with two academic groups, The University of Pittsburgh Alumni Association, New Jersey, and the Phi Beta Kappa New York Chapter.

Away from the office, He enjoys spending his free time with his daughter and friends. I like to stay active both physically and mentally, whether it's playing basketball at the Y, or volunteering in the field of Public Health. I enjoy basketball, swimming, tennis, and working out.
